RBWM JSNA Data

www.rbwm.gov.uk
Royal Borough of Windsor & Maidenhead

Welcome to the Royal Borough of Windsor and Maidenhead's (RBWM) Joint Strategic Needs Assessment (JSNA) Power BI Dashboard.

Explore the latest insights on RBWM's population and demographics. This dashboard currently provides a view of population estimates and projections at a local authority level.

The RBWM JSNA Power BI Dashboard allows users to self serve on the data available with the use of slicers, to filter and show the data required.

Instructions

Use the buttons below to navigate to the different sections of the report.
Each page will have an "Options ☰ " button. This will allow users to access filters and layout options that are available for each page.

Population estimates
